

So what is it?

Benmore is an outdoor educational centre in Dunoon, a short ferry ride from Gourock, near Glasgow. It's owned by Edinburgh Council & offers residential activity courses for schools, families and groups. It's a fantastic weekend to try new sports, meet other families and hear the regular refrain from the kids "come on Mum/Dad, you can do it". We arrive on Friday night, and are given outdoor kit and instructions. On the Saturday you'll be divided into groups of about eight, with an instructor, and will be given four activities to experience over the next two days.

Roseburn Primary has sent a group each September for about 12 years. This year again it would be really good to see some new faces.

We have booked 40 places on a first come basis.

It would be great if you/your partner, kids or all the family (ages permitting) could come and join us!

Take a look at the school noticeboard for photos and here is some key information:

- Arrive 5-6pm on Friday 8th Sept, depart about 5pm on the Sunday.
- Make your own way there, families & friends often car share or offer lifts.
- £177 p.p.—that's food, accommodation, wet weather gear & all your sports equipment. You just need to bring plenty of spare clothes that are OK to get wet & grubby
- Accommodation – basic dormitories – family groups or kids with friends.
- Fitness—you don't need to be super fit, just willing to "give it a go".
- Don't worry if you haven't done it before, many others won't have either.
- Sorry only children P5 in August through to P7 (older brothers & sisters also welcome).
- A full brochure with all the details and kit list will be sent through if you decide to come along. Meanwhile I am more than happy to answer any questions. Catch me or Kristi at school gate, email boothcrawford@hotmail.com or call 07717 206369.
- Alternatively have a look at the Benmore website for more info www.benmorecentre.co.uk

So what do you need to do?

If you are still not sure whether to come along ask some of the kids who were there last year how much fun they had and you are sure to sign up!

So now you are decided, return the form below either directly to me or Kristi at the school gate or drop it into the school office - please mark "Benmore FAO Richard Booth".

Enclose a cheque dated now for £55 per person deposit to secure your places **by Friday 26th May please.**

Cheques should be made payable to "City of Edinburgh Council".

I will ask for the remaining amount before the end of term.

You will be sent a family information sheet to complete & return during the summer.
