

## P4 – Home Learning

Just a reminder that the home learning grid has some compulsory elements (marked with a star) and a selection of other optional activities for children to choose. Each week in class children will have an opportunity to share which activities they have been doing. A homework jotter is provided which can be used for written tasks, photos, a log of your activities..... it's up to you!

**Your child should also be reading for enjoyment for at least 15 minutes every day.**

Issued 3 September 2018

This home learning grid will last for 4 weeks and be due in on Friday 28 September 2018.
