OTHER SUGGESTIONS FOR HOME LEARNING (Optional)

Take time to complete JASS Get Active challenge. For your Silver Award you need to spend 12 hours developing a sport or physical activity.	Practise your French or German vocabulary.	Find out who your local MP is. What percentage of the votes in your constituency did he win?	Find out how Brexit might affect Scotland.
Copy down (magpie!) any examples you find in your reading of excellent settings or characterisation.	Read newspapers and look for any bias in their articles. Cut these out for discussion and display in school. Try to find articles with conflicting points of view from different people.	Make a poster about the need to conserve energy and how people can make a difference.	Do your part to conserve energy. Make sure you turn off lights, do not leave electrical appliances on when they are not needed and that you cut back on long showers!
