

# Roseburn Weekly

**Head Teacher update from Natalie Borrowman.**

**Week beginning 18 February 2019**

## House Charity Event

Well done to Murrayfield House Captains for their fundraising efforts for the 'Make a Wish' Charity.

As you can see from the photographs, the children thoroughly enjoyed 'learning' in class, in their onsies.

P1 just loved Mrs Simpson sharing learning intentions in her onsie, (although she was rather warm!). House Captains were delighted to raise £97.65.

Thank you for your 'loose' change.

Glendevon are the next house to host their charity event; a Bake Sale for Cancer Research on Wednesday 20 March.

## Playground

The recycled benches for the playground have arrived, and just need to be fixed in place. There will be two in the front playground and one in the back. The children have identified one bench for the Peer Mediation Stop. We have made enquiries about Peer Mediation training for p6 and p7 and hope to have this arranged next term.

Please share any successes and achievements by emailing [admin@roseburn.edin.sch.uk](mailto:admin@roseburn.edin.sch.uk) with a photo and information. Thank you.

## Rights Respecting Schools

On Monday the Global Citizenship Development Officers visited the school to discuss our Rights Respecting Schools journey to Silver. They were impressed with our Pupil Voice, Class Charters, and promoting Rights, they offered some helpful advice to help us on our journey.

The Rights Respecters are working hard to develop a Playground Charter, and are gathering ideas from the Rights Pupil Voice group.

Our Right Of the Month (ROM) is Article 31, 'The Right To Play' which links in well with our Building Resilience theme Get Active this term.

When you 'try' the Family Task: 'Do Something New for 30 Days Challenge' please let us know about it. Thank you.

Calendar Dates

## World Book Day

World Book Day is on Thursday 7 March. The theme for World Book

Day on 7 March is 'Share a Story'. Please send in your photographs of where you have shared a story with your child. The children are invited to dress up as their favourite character on the day.

We would like to have a 'Ditch and Switch' a book stall on WBD. If you have any 'pre loved' books at home your child no longer needs please can you put them in the box outside the school office.

## Hot Chocolate Friday

This week I had Hot chocolate by myself. No-one joined me for Hot Chocolate Friday. I am told they are waiting until they have some friends to join them. I'm sure it won't be long as we have so many children who role model our Roseburn Values. Keep trying!

## Shout Outs

'Shout Outs' this week were awarded to: Cameron p7B, Madhumitha, Logan p5F and Jessica who demonstrated they were Confident Individuals, Successful Learners, Responsible Citizens and Effective Contributors. Well done!

## Citizenship Week Challenge

Our Citizenship Week focus this year is Scotland. The children will be learning about being a Global Citizen through a variety of class activities. I have challenged the children to learn and recite a Scots poem. I am looking forward to listening to the winners from each class who will perform their poems on Friday 1 March at our Scots Assembly. I have also asked the children to find something tartan at home, to wear to school on Friday for our assembly.

## Lost Property

If you would like to help with our growing mountain of Lost Property or have a good suggestion about how to reduce it, please let us know. The items will be displayed in the front playground next Friday. Please check the table for any lost items. Thank you.

## Sports Program

The City of Edinburgh Council Sports Development Team have a new Multi-Sport Skillz Holiday Programme this Easter! The programme caters for P3 – P7 pupils and includes; football, cricket, badminton, rugby, tennis and yoga! Details have been emailed to you and further information is available from Euan Morrice at The Sports Development Team, Tel 0131 334 9290 or by email at [euan.morrice@ea.edin.sch.uk](mailto:euan.morrice@ea.edin.sch.uk)

## Nursery News

The nursery children and staff are collecting corks and cotton reels to add to their resources for their play based learning environment. We also wondered if anyone had an old but still working bread maker at home so the children could make bread- they thoroughly enjoy bread with their soup at lunch time and they thought they could make their own.

Today the nursery children went to the local shops to buy the weekly snack. They made a list and selected the items themselves- and carried it back in their rucksacks.

## Diary Dates

**Monday 25 February** Global Citizenship Week: Scotland Focus

**Friday 1 March:** Maths Market Place 11.45-12.15

**Monday 4 March:** Learning Journey Jotters Home
