

P3 – Home Learning – 29.4.19

Below you will find exciting activities for home learning over the next 4 weeks. This grid will be running from **Monday 29th April** and finishes on **Friday 24th May**. You will also find this grid on the school website. Remember, boxes with **stars** are **compulsory**.

Each **Friday**, children will have the opportunity to share their home learning experiences in class. A jotter is provided which can be used for written tasks, photos, a log of your activities..... it's up to you!

Please remember to bring homework jotters in every Monday and Friday each week.

Numeracy – Memory Game

Make one set of number cards and one set of dot cards for the numbers 0-5 OR 0-10.
Mix all of the cards and place them face down on the table. Take turns in turning over two cards. If the player finds a matching pair, they keep those cards. Winner is the person with the most cards at the end of the game.

Maths- Shape

We will be naming 2D and 3D shapes and finding examples in school. With the help of an adult, investigate the 2D and 3D shapes you find at home.

Use the 'Naming 2D' and 'Naming 3D' Home Learning Challenge sheets to help you!

Maths: Naming 2D shapes

Home Learning Challenge

Science- Water

Water

Home Learning Challenge

Experiment with some of these water challenges!

Investigate how much water you use in your home by completing the water use survey sheet.

Water Use Activity Sheet

Activity	Qty	Time
Drinking water in glasses		
Brushing teeth		
Washing hands		
Showering		
Washing a car		
Using the washing machine		

Challenge: Can you create a poem, a song or a rap to describe water?

Languages

Can you find out how to say hello in different languages?
How many different languages can you find?

Challenge:

Can you ask 'How are you?' in these languages?

Literacy

Spelling words go into homework jotters on Mondays – choose **two** activities a week from the selection online to practise them.

Reading will be set in reading records.
Please use the reading questions grid included to support discussions with your child.

On nights your child does not have reading set, we ask all children to read a book of their choice for at least 15 minutes.

Look for 5 WOW words and try to use each of them when talking to somebody at home.

Presentation Skills

Choose your favourite book and prepare a 2 minute presentation talking about:

- The author
- What the book is about
- Main character
- Why you enjoy this book or your favourite part

Practise saying this aloud to your teddies or people at home. Think about how you should **stand** and **speak**!

Outside School I Have...

Tell us about something you have been doing outside of school. It might be a picture you have drawn, or something you have made, tried or written...

SURPRISE US!

If you would like to show the class what you have been doing, please bring it in on Fridays when we share our home learning!

Fitness

Take any deck of cards and create a list of fitness tasks for each suit or colour.

Take turns drawing a card and carrying out the task.

You could include a 'Pass the Task' card, that when you get it you choose someone else to do a task of your choice.
