

P5 HOME LEARNING

Issued Tuesday 23 April

This home learning grid will last for 4 weeks and is due for completion by Friday 17 May.

Just a reminder that the home learning grid has some compulsory elements (marked with a star) and a selection of other optional activities for children to choose. Each week in class children will have an opportunity to share which activities they have been doing. A homework jotter is provided which can be used for written tasks, photos, a log of your activities..... it's up to you!

Please note: Your child will have 10 spelling words each week, which will be written in the back of their homework jotter.
