Literacy / Maths Activities

Please complete one spelling and one maths activity each week.

Spelling Activities			Maths Activities		
Draw a picture defining each word. Write a sentence about your pictures using the word.	Create fractions to show the number of vowels and consonants in your spelling words. e.g spelling = 8 letters consonants 6/8 = $\frac{3}{6}$ vowels 2/8 = $\frac{1}{4}$	Play a game of countdown with your spelling words. What is the longest word you can make using only the letters within a word.	Log into your school Sumdog account and practise your skills.	Give yourself a budget of £1200 and plan a holiday to somewhere in Europe. Can you get your flights and accommodation for your family within this budget? Record each part of your calculations and details of your flight times, accommodation, etc	Teach someone something you have learned in maths this year. Or create a poster or video to explain a strategy you have learned in maths
Create a dance or an active sequence to help you learn your words	Create some incorrect sentences including spelling mistakes and grammar mistakes. For example, your sentence may be missing punctuation or incorrect use of punctuation. Create an answer sheet showing each sentence corrected.	Use any of the spelling activities from throughout the year to revise any of your spelling patterns or vocabulary you have learned this year.	Design your ideal meal and write a shopping list for the ingredients. Compare the costs from different retailers. Where is cheapest?	Create a list of numbers or use a random number generator to do so. Now identify all of the factors and multiples of each number.	What is the question to my answer? How many questions can you create which give you the answer... 2000 $\frac{1}{2}$ 2.09
Reading: Make sure you read for at least 15 minutes every day. This can be any text which you enjoy. Try to have a mixture of types of text and authors.

OTHER SUGGESTIONS FOR HOME LEARNING (Optional)

<p>Take time to ensure you have completed JASS 'My Interests' challenge and 'Get Active'. Make sure your sheets and timetable are completed.</p>	<p>Produce a set of quick pencil sketches of your hand in different positions then create a final, more detailed piece showing a range of tones.</p> <p>If you have access to other art media, try that too!</p>	<p>Use the websites to revise and extend your German! Topics to try are: Sports, clothes, family, weather, numbers and months.</p> <p>www.german-games.net www.linguascope.com</p>	<p>Create a list of places or containers. Then create a list of abstract nouns (Things which cannot be touched - feelings, ideas and concepts). Now mix the two lists and to create new places. For example, 'The Packed Lunch Box of Hope' or 'The Library of Belief'.</p>
<p>Investigate how tobacco marketing has changed over the years. How and why has it changed?</p>	<p>Spend time learning the song words or the script for our show.</p>	<p>Create a scenario that could be added to 'The Risk Factory'.</p> <p>What are the risks? What advice would you give to minimise the risks?</p>	<p>Challenge yourself to improve on a sports day activity, such as sprinting, skipping or throwing.</p>
