

Roseburn Weekly

Head Teacher update from Natalie Borrowman

Week beginning 20 May 2019

Inside this weekly issue:

ACHIEVEMENTS AND SUCCESSES

'FANTASTIC PANTASTIC' P6

Last week, p6 put on a fantastic performance of "Pantastic". We are extremely proud of the children for their hard work and enthusiasm during the rehearsals to learn the songs and all their lines. I was particularly impressed with the amount of lines they had to learn- and was very entertained by some key performances. Thank you to all the parents, carers and family members that came along to watch the show.

side football festival at Forrester High School on Saturday mornings for P3 children.

They've turned up rain or shine and have all had lots of fun and scored lots of goals.

Now the season is over they're planning to keep going and have training sessions in the park on Saturday mornings. Huge thanks to Finn's Dad for organising and coaching the children!

They'd love to have some more players so if anyone else would like to join in please let us know.

THE HUB GAMES

On Wednesday p6 took part in the Games @ the Hub alongside other schools from across Edinburgh. The class took part in three different activities. In swimming, we came third overall in our relays. A group learnt and performed a dance at the event and another group learnt the basic skills needed for orienteering. Great sportsmanship and enthusiasm from everyone. Well done.

ROSEBURN FOOTBALL

Charlie, Finn, Thomas, Harrison, Halden and Felix have been representing Roseburn at the weekly 4 a

CELEBRATING DIVERSITY

Markus p4 came along to tell me about his special visit to Prague with the Czech

language school he attends on Saturday mornings. He explained this was a celebration for a special award in this year's competition and a thank you for spreading the heart of love

Achievements and Successes

Making a Difference

'Pantastic' p6

donated between Czechs. He showed me the photos of him in the magazine and the wonderful medal he received. A lovely celebration of culture.

PIZZA EXPRESS

Primary p1/2 and p3 spent a lively morning with the Pizza Express team learning about good food, tasting fresh ingredients, and of course, making authentic, Italian pizza. There was a discussion and quiz on fresh Italian ingredients and ways to make pizza healthy.

The children were absolutely delighted to eat and take home the pizza they made, although only a slice or two made it home.

BONUS BALL DISCUSSIONS

This week I was very pleased to listen to the Bonus Ball children's views about what we do to be healthy at school. They like playtimes and PE (especially when it is outside). They suggested a circuit trail in the playground to help us keep fit and get fitter, as an activity to do before school or an afternoon break. Something for us to investigate! Having such positive relationships with their buddy is a prominent feature in these discussions and something the children really value.

Olivia and Aoife shared their creative 'worry monsters' with me. There were all sorts of flaps and pockets to store the different worries other children had 'posted'. They explained they were also able to suggest

to their friends how they could solve the worries and make them smaller. Great to hear them using and applying the Building Resilience Toolkit. Well done!

ART SHOW WEEKEND

Making a Difference. The children were excited to see the exhibition on Tuesday. Mrs Denvir shared they commented favourably on the 120 art pieces from Nursery to p7. They were also impressed (as was I) with the number of visitors from our local community.

Please come along to some of the events at Murrayfield Church over the weekend. This starts today Friday with the Art Preview for the families of

the children exhibiting their work at 6.30pm. There will be an Auction for adults from 7.30-10.30pm. All proceeds go to Barnardo's Family Unit at Edinburgh Prison. We hope to see you there.

BELMONT DRESS DOWN TARTAN DAY

The children in Belmont are **invited** to dress down and wear tartan to school on **Monday 27 May** to support Jax p2 in his Kilt Walk fundraising adventure. A donation in support of this will help to be that 'teaspoon of change' that can make a difference to someone.

BOOK FAIR

There will be a pop up Book Fair in the gym hall at both Parent Consultations next week. The children will visit the Book Fair next week with their class. More information about the books available can be found [here](https://bookfairs.scholastic.co.uk/travelling-books).

NURSERY NEWS

This week the nursery children accompanied by p6 went to visit the Art Exhibition at Murrayfield Church. The just loved all the pictures, especially their own ones displayed. This has inspired them to create some fabulous pictures.

The children have buried a dinosaur egg this week and are keeping a watchful eye on it (in case it hatches). The continue to enjoy the fairy garden and I believe some fairies have arrived. The pre school children have also engaged in a variety of transition events.

Diary Dates

Friday 24 May: Art Show 'Here Comes Summer'

Friday 24 May P6 Taster Ice Skating.

Wednesday 29 May: Parent Consultations 4pm-7pm
