

P1 HOME LEARNING

Issued: **Monday 2nd March**

This home learning grid will last for 5 weeks and is due for completion by **Friday 3rd April**.

Just a reminder that the home learning grid has some compulsory elements (marked with a star) and a selection of other optional activities for children to choose. Each Friday in class children will have an opportunity to share any home learning in their jotters.

<div>Maths</div> <div></div> <div><div>In school...</div><div>We shall be talking about how we use money to pay for things.</div><div>At home...</div><div>Pay for amounts in play and in a variety of real life contexts, e.g. shop, bus etc. Count out the correct number of 1p coins to pay for an item. Sort coins and notes by different criteria, e.g. shape, colour, size.</div></div>	<div>Literacy</div> <div></div> <div><div>In School...</div><div>We are beginning to think about how we form sentences in our written work. We are learning to use a capital letter at the start of a sentence and full stop at the end.</div><div>At home...</div><div>You could practise saying the alphabet and match lower case letters to upper case letters.</div></div>	<div>Health & Wellbeing</div> <div></div> <div><div>In school...</div><div>Our Building Resilience unit is still centred around having a goal. We are exploring what it means to have a growth mindset and the idea that making a mistake is part of the process of learning.</div><div>At home...</div><div>Try to identify things that you can do now that you couldn't do when you were a baby.</div></div>	<div>News & Other reminders</div> <div><div>03/03 – PTA meeting @ 19:30</div><div>05/03 – HWB curriculum evening</div><div>06/03 – World Book Day dress up</div><div>12/03 - Murrayfield fundraiser</div><div>20/03 – Tea with HT</div><div>24/03 – RSPP meeting</div><div>01/05 – Ravelston fundraiser</div><div>05/06 – Belmont fundraiser</div></div>
<div>Interdisciplinary Learning & Discrete subjects</div> <div><div>Science</div><div>– We shall be discussing the importance of electricity in our daily lives. We will identify objects which get electricity from either mains electrical sockets or alternative sources, such as batteries and solar cells.</div><div>PE</div><div>– Demonstrating increasing control in travelling with, sending and receiving a ball and other objects.</div><div>Expressive Arts</div><div>– Using instruments to play along to a range of music style. Using paint in a variety of ways to create images, including painting, spraying and printing.</div></div>		<div>Other learning & Wider school life...</div> <div><div>House meetings will have a new Global Goal to focus upon:</div><div>Belmont: #15 – Life on Land</div><div>Glendevon: #1 – No Poverty</div><div>Murrayfield: #6 – Clean Water</div><div>Ravelston: #12 – Responsible Consumption & Production (Food Waste, Recycling)</div></div>	<div>Free Choice</div> <div><div>Surprise us!</div><div>Cook.....Create.....Try.....</div><div>Draw.....Explore.....Build</div><div>.....or something else!</div><div>You choose!</div></div>
