

P7 HOME LEARNING

Issued Monday 4th November 2019

This home learning grid will last for approximately 4 weeks and is due for completion by Friday 29th November.

Just a reminder that the home learning grid has some compulsory elements (marked with a star) and a selection of other optional activities for children to choose. Each week in class, children will have an opportunity to share which activities they have been doing. A homework jotter is provided which can be used for written tasks, photos, a log of your activities..... it's up to you!

Please note: Your child will have spelling words each week, which will be written in their homework jotter.

<div><div>Maths</div><div>In school...</div><div>We will be learning how to divide using a formal written method. As well as whole numbers, they will be dividing decimals.</div><div>At home...</div><div>Practice these formal methods of division at home. Examples are available on http://www.math-aids.com/</div></div> <div><div>★</div><div>Literacy</div><div>In School...</div><div>We will be learning to take clear and organised notes when carrying out research</div><div>At home...</div><div>Do some personal research, writing your findings in your own words.</div><div>Read for 20 minutes each day.</div></div> <div><div>★</div><div>Health & Wellbeing</div><div>In school...</div><div>Our focus is to 'Be Kind to Others'. We will be focusing on ways we can be kind and how being unkind can affect our own health.</div><div>At home...</div><div>Be a bucket filler by saying kind things and doing kind deeds for others.</div></div> <div><div>News & Other reminders</div><div>In school... we have a number of trips planned: 5th Nov – Art of Listening 8th Nov – Ravelston Water of Leith clean up 11th Nov – Armistice Day 12th Nov – Enterprising Maths @ Craigmount 21st Nov – Author visit to St George's 27th Nov – Mosque visit</div><div>At Home...</div><div>Talk to your child about the significance of Armistice Day and expectations for behaviour at Murrayfield.</div></div>
<div><div>Interdisciplinary Learning & Discrete subjects</div><div>R.M.E – Buddhist stories and key figures</div><div>Social Studies – World War 2</div><div>Expressive Arts – Music and Dance – listening to music from war time and learning some dances</div><div>Art – printing</div><div>Drama – Acting out scenes as part of a family group to develop understanding of WW2</div><div>Modern Language – French - Saying the dates</div><div>German – Naming pets and zoo animals</div></div> <div><div>Other learning & Wider school life...</div><div>Ask at home if anyone in the family played a part in WW2. What can you find out? Follow your own interests and do some of your own research. You can work on your WW2 diary at home too.</div></div> <div><div>Free Choice</div><div>Surprise us!</div><div>Cook.....Create.....Try..... Draw.....Explore.....Build.....</div><div>.....or something else!</div><div>You choose!</div></div>
