

Numeracy

In P1, we always start our number lessons with some counting songs. Here is a fun song we use regularly in class:

1. DOUBLES! DOUBLES!

<https://www.youtube.com/watch?v=8jOzhiACB68>

*Continue practising other songs suggested in previous documents.

2. DIY dominoes

How many altogether?

Maths: Money

- I can draw coins
- I can apply addition and subtractions skills to pay the exact value for items

3. Drawing coins

Draw **10p, 5p, 2p, 1p** coins to show...

e.g. 12p

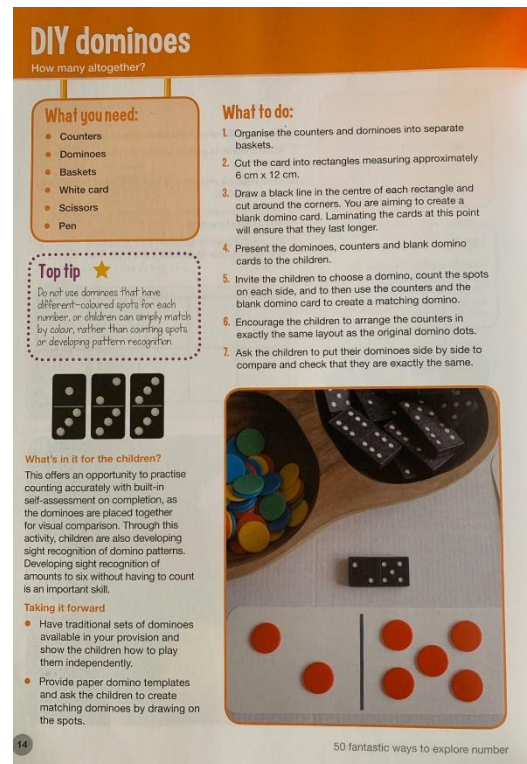

13p	15p	14p	16p
9p	11p	18p	19p

4. Using coins

- Draw **2 coins** to buy the truck (costing 6p)
- Draw **3 coins** to buy the train (costing 6p)
- Draw **2 coins** to buy the rocket (costing 12p)

- Draw **3 coins** to buy the rocket (costing 12p)
- Draw **4 coins** to buy the rocket (costing 12p)

5. Calculating Change

'Money, Time and Data Handling' SHM Booklet (page 5,6)

If needed, please use 1p coins or counters to support, e.g:

- Ask the child to set out 8 coins (for 8p)
- Ask the child to move 5 coins (buying a book costing 5p) away into another group
- Ask the child, "how much is left?"
