

Numeracy and Maths

In the story who was the tallest and who was the smallest? Can you work out who is the tallest in your family? Who is the smallest?

This interactive game is all about comparing sizes.

<https://www.topmarks.co.uk/early-years/lets-compare>

Health and Wellbeing

Help to make porridge, measuring out the quantities. We often have porridge at nursery and love to choose a variety of different toppings. What could you put on yours?

This recipe is my favourite

Literacy and English

Listen to The Learning Boost

https://youtu.be/a_LYIval5cA

Retell the story with props and puppets. (Look at activities for EX ARTs and Tech)

You could make up your own bear story. We often make up special little books in nursery – here are the instructions to help.

<https://www.youtube.com/watch?v=21qi9ZcQVto>

Expressive Arts

Enjoy singing and dancing along to Gummy Bear

https://www.youtube.com/watch?v=KVE-T2_vLpY

Draw your own characters for the story. Cut them out and attach them to sticks.

We are **learning** all about Goldilocks and the Three Bears (and Measure!)

Technologies

Build the Three Bears cottage from junk. Maybe even a little theatre?

Try this little game.

<https://www.topmarks.co.uk/Flash.aspx?f=ThreeBears>

Challenge Area

Making Tracks

This can be a fun activity even if you don't have much space. It can be done inside or outside. Tracks can be simple or difficult to suit you and your child and the space and resources you have available.

This activity can be extended over a few days: making tracks, treasure hunt, etc.

Roseburn
Nursery

Social Studies and Sciences

We all have Teddies, but do you know the history of the teddy bear. Watch this little clip to find out.

<https://www.youtube.com/watch?v=hXrNslg7hcw>

Can you ask your parents and grandparents what sort of teddies they had?
