

Issued Monday 25th May.

This School Closure Home Learning Grid will support learning for week commencing **25/5/20**. This will be supplemented with additional resources as appropriate. Please note this is guidance and should be adapted and completed as appropriate to your home family circumstances. The children are invited to share their activities, via twitter.

Please use the white board, jotter or paper provided for written tasks, photos, or create a log/diary of your activities..... it's up to you!

Maths: Measurement – Number Work

Intended learning: Addition and Subtraction skills

This week we would like you to practice your addition and subtraction skills.

At the end of this document are some different addition and subtraction questions for you to practice.

You can use whatever strategy you wish to complete these tasks, though please remember to include your working.

Chose activities that you are comfortable with completing, but there will be some short videos uploaded to the class teams to remind you how to solve these problems.

Literacy: Reading

(30 minutes per day) Intended learning:

Choose a passage or chapter from the book you have chosen to read.

Complete **two** book detective tasks to complete for passage you have read.

Practice your reading skills by reading aloud to an adult or sibling at home.

You should be reading **30 minutes a day**. Mix this between fiction and non-fiction reading.

Literacy: Writing

See below for what writing activity should be done each day

Monday – Spelling/grammar (scroll to the bottom of the page for this week's spelling list

Tuesday - Handwriting

Focus on the next group of bottom joins this week. choose 4 to practice.

Find a word that has those joins and challenge yourself to complete a paragraph that uses all 4 words.

https://www.teachhandwriting.co.uk/cursiv e-joins-choice-4.html

Wednesday – Pobble 365 (creative writing)

Thursday – ERIC (scroll down to the bottom of the document for this weeks task)

Friday - Free Writing.

Write a story, poem, paragraph, sentences or letter in either fiction or non-fiction about a topic of your choice.

Literacy: Listening and talking Intended learning:

This week for our listening and talking task we have provided you with a range of thinking cards.

Your task is to look at these cards and discuss with someone what your answer would be and why?

Then let the other person give their answer and see how different it is.

Health & Wellbeing

Activity:

The expectation is to do 15-20 minutes of physical activity each day.

This could be through Cosmic Kids, The Body Coach or simply by going for a walk/run.

Remember to keep a diary of the activity you are doing – can you do more than you did last week?

Science: Colour, Sound and Light

Intended Learning: pitch, volume and how our brains detect sound.

https://www.bbc.co.uk/bitesize/topics/zgffr82/

There are lots of clips and activities on the BBC bitesize page for learning about sounds. Have a watch through some of these at home!

If you are interested in doing more science at home, check out the Science Max channel on YouTube and try some experiments at home.

Expressive Art: Art & Design

Mrs Denvir will upload the art task to the class teams pages later this week.

Modern Languages: German

Over the next few weeks we shall revisit topics covered earlier in the year to give you the opportunity to practise vocabulary.

L.I. Numbers 0-12 - I can say these numbers in German

null, eins, zwei, drei, vier, fünf, sechs, sieben, acht neun, zehn, elf, zwölf...

- 1. Online games Use Linguascope to practise your numbers. Remember, it is easy to say them in order, but much trickier to pick out individual numbers this is what you are aiming to do.
 - a. Go to https://www.linguascope.com/ beginners click on Die Nummern (1-10) and play as many games as you wish.
- 2. Make fold a piece of A4 paper in half 4 times. This should give you 16 sections. Cut these up and write a different number word in each. You will have three spares.
 - a. Use the numbers to play different games-
 - b. mix them up and lay them out in order, forwards, then backwards
 - c. ask someone to mix them up and take one away can you spot the missing number?
 - d. pick a number- what comes before it? What comes after?
 - e. If you make a second set with numerals 0-12, you can match them up or play snap with them
- 3. Further number games can be found here: https://www.helpfulgames.com/subjects/german/264-numbers-in-german.html

Spelling

ck		
back	bannock	limerick
black	barrack	shamrock
luck	paddock	stickleback
brick	pluck	thunderstruck
crack	quack	awestruck

sick	track	maverick
thick	stick	gimmick
lick	wreck	unblock
pick	truck	chackablack
rock	snack	padlock
sock	flock	bottleneck

Common Words:

- 1. open
- 2. along
- 3. might
- 4. seem
- 5. while

(use your spelling grid activity to complete a task from each of the columns).

ERIC

Watch from the start until 3:15 minutes for our ERIC film this week. This short film was created in conjunction with The Incredibles 2 which is why they are joined in the clip.

https://www.youtube.com/watch?v=cB 2qU4GLCw

Explain – What does the word defiant mean? Can you think of other examples of this? Retrieve – What was in the mothers shopping bags when they are on the bus? Interpret – Why do you think the BAO bun wanted to spend less time with their mother? Choice – Why do you think the author choose a BAO bun to represent the son?

Roseburn Primary P4/5 & P5 HOME LEARNING GRID

- 25th May 2020

5 digit addition

5, 6 or 7-digit addition

4-digit subtraction

6020 7500 9094 7000 7813 7000 - 1994 - 4872 - 5151 - 5306 - 7399 - 2337

7120 4434 3500 9800 9074 6511 - 5034 - 4421 - 2091 - 7860 - 8178 - 6350

4325 8001 7000 7360 5307 6000 - 3393 - 2589 - 4857 - 2299 - 1887 - 4846
