

Roseburn Primary HOME LEARNING GRID Week 22 June 2020 ALL ABOUT ROSEBURN WEEK

Issued Monday 22 June

In keeping with some of our end of term traditions our whole school Home Learning Week is on the theme of All About Roseburn.

Please note this is guidance and should be adapted and completed as appropriate to your home family circumstances. Our Early Years children may not want to engage in all these topics, so please choose accordingly. The children are invited to share their activities in the most suitable way, e.g. an email to the school admin address, Teams, Twitter and Online Journals for Nursery/ P1.

Language & Literacy

- Create an advert for the school. There are lots of different ways you can do this. You could make a poster, write a newspaper advertisement, a PowerPoint or maybe make a small video. What things are special about Roseburn that we could tell others about? Imagine a new parent was looking to send their child to Roseburn? What things would we want to tell them?
- Write an acrostic poem using the word ROSEBURN. We are looking forward to seeing what wonderful describing words you can come up with!
- Tell us about your favourite moment or event at Roseburn. What made it special?
- A rose themed story
A Story about Elmer and the Rose
https://www.youtube.com/watch?v=BxWal_eLit8w
A book about being embarrassed, encouraging children to explore and reflect upon a whole range of feelings. Read by the Storytime Family.

A Roseburn Goodbye

A Retirement 'Thank You'

Fay Forsythe has been a valued member of the Roseburn family for over 20 years – a former parent, you may remember her as a piano player in the nursery, singer with scarves and songs in p1, framer of your art exhibition pictures and families worker at Murrayfield Centre. Some of you will have even guessed the weight of her cakes at our school fairs!

Can you write a thank you or memory to share with her? It could be a simple message on a post it, a hand-written letter or a card with a piece of art work. You decide!

We will compile your work and send it to her over the summer.

Modern Languages – German

German School Subjects p5-7

1. Can you work out what the school subjects are and match them to their pictures?

Englisch, Deutsch, Französisch, Mathe, Musik, Kunst, Erdkunde, Wissenschaft

This 5 minute video on YouTube will help you:

<https://www.youtube.com/watch?v=70b5Na3Emi0>

1. Make 2 sets of 8 cards (1 set German, 1 set English) so that you can play 'Snap', 'Find the Missing Word' or 'Pairs'. Can you think of other games to play with these cards?
2. **Make your own timetable design for your IDEAL week at school.** You must **include ALL 8 subjects** in German but you can use them more than once! Write the days of the week in German too if you can.

Modern Languages - French

French School Subjects p3-7

1. Can you work out what the school subjects are and match them to their pictures?

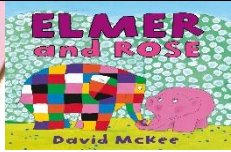

l'anglais, le français, les maths, la musique, le dessin, le sport, la géographie, les sciences

This 5 minute video on YouTube will help you with most of the words:

<https://www.youtube.com/watch?v=PZhDqiss7wM>

1. Make 2 sets of 8 cards (1 set French, 1 set English) so that you can play 'Snap', 'Find the Missing Word' or 'Pairs'. Can you think of other games to play with these cards?
2. **Make your own timetable design for your IDEAL week at school.** You must **include ALL 8 subjects** in French but you can use them more than once! Write the days of the week in French too if you can.

Roseburn Primary HOME LEARNING GRID Week 22 June 2020 ALL ABOUT ROSEBURN WEEK

How many songs do you know that have the word 'Rose' in them? Compile a list. Perhaps you can write your own song or poem. Here are a couple for starters:

'Rose Garden'
'La vie en Rose'

thank you!

Stundenplan									
Stz	Zeit	Montag	Dienstag	Mittwoch	Dienstag	Freitag			
1	8:00	Physik	Mathe	Deutsch	Englisch	Chemie			
2	8:45	Geschichte	Mathe	Physik	Mathe	Deutsch			
3	9:30	Geschichte	Mathe	Physik	Mathe	Deutsch			
4	10:15	Mathe	Deutsch	Sport	Sozialkunde	Mathe			
5	11:00	Mathe	Bio	Mathe	Deutsch	Bio

11h00	maths	maths				arts plastiques
12h00		géographie		histoire	sciences	généraliste
13h00			la récréation			
14h00	informatique			sciences		
15h00			la récréation			
16h00	sport	musique			sport	

3. Challenge – can you find the names of 4 more subjects?

French N-p2

[Colours – Click here to learn the colours in French](#)

Can you colour Roseburn Primary School in French? A worksheet with a colour key is available under 'files' in Teams.

Expressive Arts: Art and Design

Art and Design challenge – How many different ways we can recreate this image of our school?

It's time to get your creative thinking caps on – create an image of the school building but make it your own! There are lots of ideas below to get you thinking.

Social Studies, Science and Maths

Here are some exciting maths challenges you can do all around the house and your local area.

[Maths on the Move P5-P7](#)

• Measure a tree

Roseburn Park is full of beautiful trees. How do you think you measure a tree? Click this

Health & Wellbeing

• Teacher Scavenger Hunt

There are 16 teacher cards hidden around Roseburn. Can you find them all? The cards look like this:

On each card is the name of a teacher and a number. Write the number beside the teacher's name on the answer sheet.

Something Fun:

• Food challenge

Pink and brown are our school colours so we want to see if you can create some foods, recipes or meals that show those colours. You might choose something that is already pink/brown, or you could try changing the colour by using food colouring, etc. Don't forget to send us some pictures of your creations!

Roseburn Primary HOME LEARNING GRID Week 22 June 2020 ALL ABOUT ROSEBURN WEEK

If you share your work on Teams or by email, we can build up a giant collage with everybody's designs!

Ideas!

1. A detailed observational drawing in pencil – perhaps adding tone
2. Felt pen with water added to make it 'bleed'
3. Collage using magazines, old cards and envelopes
4. A chalk drawing in the street
5. A photo that's been edited in some way?
6. A runny watercolour
7. A silhouette with a sunset sky
8. An image made from geometric shapes
9. A textured painting with thick paint
10. An abstract image – Picasso style?
11. A computer aided drawing
12. A 3D model
13. Found objects or garden material

Anything goes! Use your imagination! You could stretch the building, change its colour, add some pattern...have fun!

Expressive Arts: Music and Dance

We have all had to Expect the Unexpected this term. We are all very proud of you for facing challenges with resilience and strength.

This song says it all. Turn it up loud, sing and dance but most of all – give yourselves a great big clap on the back for being amazing.

[We're all in this together](#)

link to an activity which will show you how.

[How to measure a tree!](#)

• Water of Leith

We are so lucky that the Water of Leith is on our doorstep and so many of us have used it for walks and outdoor learning. Download this and find out interesting facts whilst having a walk.

[Water of Leith Audio Adventure](#)

• Mapping skills

Have you ever looked at a map of Roseburn and wondered what it used to look like? Click this link:

[Map Discovery](#)

- Enter postcode EH12 5NP
- Click arrow which takes you to 'About this Location'
- You can scroll through data layers to identify areas of interest
- Scroll to base layers and you can then click
 - OS 1955 - 1961
 - OS 1900s
 - 1st Edition 1843 – 1882

You can find a PDF of the answer sheet on the P3 page of the school website.

Teacher Name	Number
Miss White	
Mrs Simpson	
Mrs Thirgood	
Miss Williams	
Miss Arnot	
Miss Prentice	
Miss Fraser	
Miss Dickson	
Mrs Birrell	
Mrs Reid	
Mrs McColl	
Miss Gardner	
Mrs Denvir	
Mr Carson	
Mrs Scott	
Mrs Borrowman	

• Roseburn Scavenger Hunt

Get down to the park and start looking for all these clues.

If you are having trouble with the links you may need to press the ctrl button when opening.

• Roseburn's Got Talent

We know there are loads of talented children at Roseburn! What is your talent? Maybe you are a skilled gymnast, or a talented artist? Whatever your talent is we would love you to share it. Upload a video to teams or share via email or Twitter.

• Guess who??

Watch this video clip and see if you can identify who is who? The teachers have all provided a fact or statement about themselves so all you have to do is match the teacher to the fact.

<https://spark.adobe.com/video/Qssd2bBUgw4Lu>

We will reveal the answers at the end of the week

• Free choice

Can you think of any other ways to celebrate "All things Roseburn"? We would love to see/hear your ideas. Please tweet, email or share your ideas on Teams.
