

Roseburn Primary School

Welcome Letter

Session 2020-21

Dear Parent or Carer

Welcome back to Roseburn Nursery and a warm welcome to our new children who have joined us for the new session.

We have had a great start to nursery, settling in and learning all our routines. We have welcomed back old friends and we are making lots of new friends too. The children have been very quick at adapting to the different procedures, many thanks for helping us to establish these so successfully.

The children have been enjoying their new packed lunches and are becoming more familiar with eating them within the nursery setting. When choosing snack choices for the week, there are usually lots of healthy suggestions from the girls and boys.

At nursery we are lucky to have a large outdoor garden where the children can undertake outdoor learning on a regular basis. They are being especially creative with loose parts, the mud kitchen and the block play.

Health and Wellbeing is extremely important for the children and this term our Building Resilience focus is Be Resilient. We are looking at developing skills and strategies to cope with our 'ups and downs' in life. The children love learning all about Skipper and how he copes with The River of Life.

Online Journals will be up and running shortly and Early Year Practitioners will be allocated key children. Please ensure you have completed and handed in all the relevant documentation to the school, this will enable you to access their journals.

For updates on learning at Roseburn Nursery and school information please check our website <https://roseburnprimary.co.uk/> and follow us on Twitter <https://twitter.com/RoseburnPS>

We are all looking forward to an exciting and busy year in Nursery and encouraging the children on their first step on the Early Level Curriculum. Please don't hesitate to contact us at school if you have a question or concern.

Kind regards
The Nursery Team.

Roseburn Nursery Topics and Timetable Overview

In Nursery, the majority of our planning is responsive. However there are certain topics we will cover over the course of the year.

Term 1

(August –
October)

**Sharing
Rules and
Routines
Harvest**
