

Roseburn Primary School

Welcome Letter

Session 2020-21

Dear Roseburn Primary 1 Parent and Carers

Welcome back to Roseburn Primary and a very big welcome to our new children in Primary 1.

We have had a super start to P1 and we are looking forward to the school year ahead. The children are settling in well and are adapting to all the different and varied routines that we are learning.

Home Learning

Our Home Learning Grid will be shared monthly. The children will receive their first grid on Monday 7th September. Non-negotiable activities, for example reading, support learning in class and are indicated with a star, while others are optional learning opportunities linked to our learning in class.

We will send home a weekly information letter, this will be sent via the Learning Journals, containing suggested spelling words. Please practise these at home with your child as part of their Home Learning. Can you please ensure you have returned your Learning Journals permission forms and that you have full access to the journals. A P1 Teams will also be established.

Reading

Reading home learning will be sent home from Monday to Thursday. Each day you will be expected to read some pages of the book. This information will be found on Journals and this will give you a space for you to comment privately about progress.

Belongings

Please ensure all belongings are named, including water bottles and packed lunches (which should be taken home daily). A small daily snack should be provided. There is currently no need to send in PE kit.

For updates on learning at Roseburn and school information please check our website <https://roseburnprimary.co.uk/> and follow us on Twitter <https://twitter.com/RoseburnPS>

Please don't hesitate to contact the school if you have a question or concern.

Kind regards

The Primary One Team
