

# Roseburn Primary School

## Welcome Letter

Session 2020-21

Dear P4 Parents and Carers

Welcome back to school

It has been lovely to see all the children back in P4 and ready to learn for the new school year. They have settled in really well and are doing a fantastic job of learning the new routines. I am so proud of how quickly they have adapted to the new systems.

### **Returning library books/home learning resources**

If your child has library books they have finished reading or textbooks/resources that were used during lockdown could they please be returned to school. There is a quarantine box in the playground outside the office for these to go in. If any families borrowed a school iPad could these please be returned in the same way.

### **Belongings**

We have only been back a week or so and already we have lost items! Please ensure all your child's belongings are named (coats, water bottles and lunch boxes/bags). If items have names on them it really helps us identify belongings if they are left in school or the playground and get them returned quickly.

### **Home Learning**

Home Learning Grid will be shared monthly via TEAMS. Children will receive their first grid **w/b 7<sup>th</sup> September**. Non-negotiable activities, for example reading, are indicated with a star and support learning in class, whilst others are optional learning opportunities linked to our other curricular areas.

For updates on learning at Roseburn and school information please check our website <https://roseburnprimary.co.uk/> and follow us on Twitter <https://twitter.com/RoseburnPS>

Please contact the school if you have any questions or concerns  
Kind regards

Sue Fraser

## Roseburn Primary Provisional P4 Topics and Timetable Overview

### Term 1

(August – October)  
 Report writing  
 Writing instructions  
 Persuasive writing  
 Number processes
