

### Roseburn Primary School: Edinburgh Learns @Home

### Week 3 Home Learning for Primary 2

| <b>–</b> "   |   |   |
|--|---|---|
| Reading  | Numeracy and Maths – Counting Out               | Health and Wellbeing                          |
| Read the text your teacher has given you   | Loud  | <b>Do something kind</b> for someone. Can     |
| or something you have chosen yourself  | Choose a starting number between 1              | you pay them a compliment, make them          |
| and draw a picture to show what is   | and 20. Count backwards from that               | something or help them with a task?           |
| happening in the text. Put in as much  | number.   |   |
| detail as you can. Use the book to help  | Challenge: Can you count backwards              |   |
| you.   | from a number larger than 20? Can you           |   |
| ,  | count backwards with someone, each              |   |
|  | taking a turn to say a number?                  |   |
| Tools for Writing Voogbulger, and Spolling   |   | STEM  |
| Tools for Writing - Vocabulary and Spelling  | Numeracy and Maths – What Comes                 | -   |
| Look at the 100 most commonly used word  | Before?   | Junk modelling! Collect and recycle           |
| list.  | Choose a number between 1 and 20.               | materials such as yogurt pots, cereal         |
| Choose 6 words to learn (ones you don't  | What is the number before your                  | boxes and see what you can create with        |
| already know). Get someone to quiz you   | number? e.g. "What is the number                | them.   |
| on them.   | before 17?".                                    |   |
|  | <b>Challenge</b> : Try to say the number before |   |
|  | for larger numbers e.g. "What is the            |   |
|  | number before 30?". Try to say the              |   |
|  | number 2 less than your number e.g.             |   |
|  | "What is 2 less than 9?".                       |   |
| Grammar  | Numeracy and Maths – Cars in the                | Expressive Arts                               |
| Investigate nouns. The sheet provided  | Garage  | Practise singing some <b>nursery rhymes</b> . |
| gives you a grid of nouns (naming words).  | Put up to 10 cars in the garage (in a box       | Can you make up your own using a              |
| If you don't have a die to play the game   | or anything where you can't see the             | familiar tune but include people and          |
| then you can rip up bits of paper and put  | cars). Ask an adult to take some of the         | characters that you know?                     |
| number on them and choose 2 at random  | cars away and tell you how many                 | ,   |
| or just pick the words you like.   | they've taken away. How many cars               |   |
| 1 122  222   222   222   223 | are left in the garage? Look in the             |   |
|  | garage to check. How did you work it            |   |
|  | out?  |   |
|  | <b>Challenge:</b> This time the adult takes     |   |
|  | some cars away but doesn't tell you             |   |
|  | some cars away but acestri riell you            |   |

|   | how many they've removed. Look at how many cars are left in the garage. Can you work out how many cars have been taken away?   |  |
|---|--|--|
| Write or draw instructions for brushing your teeth.  Think of the order you would do things in. Use words like First, Next, Then, Finally   | Numeracy and Mathematics - Shopping Fun  Make a shop. Choose some items to sell in your shop and put some prices on them (nothing more than 10p). Give people some 1p coins and let them buy an item in your shop. Can you check that they have handed over the right number of coins for the item they choose?  Challenge: If someone wants to buy more than one item can you tell them how much their items cost altogether? Can you check they hand the right number of 1p coins for their items? | Social Studies Create a time-capsule. What would your great-great-great-grandchildren need to know about the world right now? Add in a favourite toy, a newspaper clipping or anything else that would help them understand our world in 2020. |
| Listening and Talking   | Puzzle - Card Games  | Religious and Moral Education  |
| Watch this video <a href="https://www.youtube.com/watch?v=S9Vje">https://www.youtube.com/watch?v=S9Vje</a> <a href="https://www.youtube.com/watch?v=S9Vje">IWLnEg</a> Why has it been made? What did you learn from it? | If you've got a pack of cards play Snap, or a Memory Game (where you turn cards face down and try to find a pair). If you don't have cards you could make your own by writing numbers of pieces of paper or card (packaging?).   | Did you follow the above Health and Wellbeing task? See how you behaved like The Good Samaritan by watching the clip below: https://www.bbc.co.uk/bitesize/clips/zcyr 87h  |

#### **Nouns Game**

Roll the die to get a column and then again to get a row. The word you have is a noun. A noun is a person, a place or a thing. Use it in a sentence.

Eg If you rolled a 2 then a 4 your word would be speedboat.

| 6 | cake    | vegetables | orange  | breakfast    | dessert  | sandwich    |  |
|---|---------|------------|---------|--------------|----------|-------------|--|
| 5 | jacket  | trousers   | shorts  | shorts skirt |          | hat         |  |
| 4 | car     | speedboat  | chariot | UFO          | bicycle  | submarine   |  |
| 3 | village | playground | castle  | forest       | circus   | house       |  |
| 2 | mother  | baby       | crowd   | astronaut    | clown    | firefighter |  |
| 1 | lamp    | clock      | picture | clothes      | football | light       |  |
|   | 1       | 2          | 3       | 4            | 5        | 6           |  |

#### Thinking and Talking about My Learning - P1 & P2

### **Self-reflection Plenary**

At the end of a day of learning you might like talk about your learning with someone else.

Roll a die to select 1 or 2 questions to get you started.

| 1                      | 2                     | 3                      | 4                         | 5                          | 6                     |
|------------------------|-----------------------|------------------------|---------------------------|----------------------------|-----------------------|
| Were there any tasks   | Did I make a good     | Did I get stuck on a   | Did I try going back to a | Did I find it easy to stay | How can I make sure I |
| today that I found too | guess about how long  | task?                  | tricky task later?        | on task today?             | remember what I       |
| easy?                  | each task would take? |                        |                           |                            | learned?              |
| Why?                   |                       | Did I give up or try a | Did that make a           | What helped?               |                       |
| Could I have added my  |                       | different way?         | difference?               |                            |                       |
| own challenge?         |                       |                        |                           | What didn't help?          |                       |
|                        |                       | What did I try?        |                           |                            |                       |
