

Date Issued **Monday 5 September 2022**- This home learning grid will last for **4 weeks** and is due for completion on **30 September 2022**.

Please focus on **reading a wide variety of texts, learning spelling words** and **reinforcing maths facts**, as time/family circumstances allow.

We have home learning sharing sessions on Fridays when the children will have an opportunity to share what they have been doing with the rest of the class.

If you have any questions about Home Learning please use the "Ask the Teacher" channel on our class Team.

Numeracy & Maths

In school...

We will be focusing on numbers to 100, addition and subtraction, and shape.

At home...

Sumdog

Log on to Sumdog and look for Miss Crawford and Henderson's adding and subtracting practice. If you can achieve 50+ correct answers you can earn some coins on Sumdog.

Practical Skills

Counting how many stairs around your house? Try playing with some dice and adding up the scores? Counting out plates and cutlery as you set the table? Can you think of any other ways to practice your adding and subtracting?

KIRFS

The Key Instant Recall Facts for this term are included on this document. We are working on the orange box, number bonds to 5 and number bonds to 10.

Rigour Maths Calendars

The 1st level maths calendars for September are included in this document. As we are just at the start of 1st level, we won't have covered many of these topics so far.

Literacy

In school...

Reading - We will be developing our reading skills through reading groups. This will include decoding skills as well as understanding.

Writing - we will be writing posters and a persuasive poster about a zoo animal

Handwriting – cursive joins

Grammar/ Punctuation – capital letters, finger spaces, full stops

Spelling – final blends

-st , -sk, -sp, -nd

Revising Block 2 tricky words

At home...

-Please check reading record for book and pages to read.

- You should also be reading for enjoyment. Remember that what you read is your personal choice. Try and vary the types of text you read.

-Practise the spelling words, play games and use them in writing. Try pyramid spelling, spelling tennis or rainbow writing.....you choose!

Health & Wellbeing

In school...

Building Resilience – 'Look on the bright side' will be our focus this term.
Rights Respecting Schools- Article 37
I have the right not to be punished in a cruel or hurtful way.

SHANARRI: Healthy Harry
Global Goal Focus: #16 Peace and Justice

PE : Possession games- hockey and football

RSHP – Friends and Friendships

At home...

- Please talk through the "Look on the bright side" information with your child. This is included on this document.

- Complete the "Look on the Bright Side" family task... Create a memory jar or a list of all the things you are grateful for 😊

Other Areas of the Curriculum

In school...

Our topics this month are Houses and Homes and Judaism

French- numbers 1-20

Expressive arts- collage and hip-hop

Reminders

Drink bottle and snack – please remember that children are to bring a healthy snack and only water in their bottle (no juice please)

PE - Please make sure your child has appropriate PE kit for both indoor and outdoor lessons.

Dates to Remember...

Holiday – Monday 19 September
Parent consultations – Thursday 29 and Friday 30 September (details to follow)

End of term – Friday 14 October

Spelling Words

Wk beginning 5 th September
best
nest
chest
list
last
mist

Wk beginning 12 th September
wasp
gasp
clasp
crisp
grasp

Wk beginning 19 th September
ask
mask
task
desk
risk
flask

Wk beginning 26 th September
end
mend
spend
and
band
sand

Block 2 Tricky Words

go	are	come	her	into
we	they	said	of	here
be	all	one	were	do
she	some	you	there	as

KIRFS

Key Instant Recall Facts

Reception, Year 1, 2
and 3: Autumn 1

This half term your child is working towards achieving knowledge of KIRFs, indicated below.
The ultimate aim is for your child to be able to recall these facts *instantly*!

Say the number names in order to 5	Know all the number bonds to 5 (then moving to 10)	Know all the number bonds to 20	Know all the number bonds for <i>each</i> number to 20
------------------------------------	--	---------------------------------	--

Example of number bonds to 5:

Five teddies are sitting on a shelf, 1 fell off,
how many are left?

Well done, that was
quick!

Four are left!

All number bonds to 10:

$$\begin{array}{l} 0 + 10 = 10 \\ 1 + 9 = 10 \\ 2 + 8 = 10 \\ 3 + 7 = 10 \\ 4 + 6 = 10 \\ 5 + 5 = 10 \\ 6 + 4 = 10 \\ 7 + 3 = 10 \\ 8 + 2 = 10 \\ 9 + 1 = 10 \\ 10 + 0 = 10 \end{array}$$

KIRFS

Helpful hints for parents

Reception, Year 1, 2 and 3: Autumn 1

- Use objects to consider the bonds in a practical way.
- Look at the patterns with both objects and numbers e.g. as one number increases the other one decreases.
- Practise with the numbers in order and chosen randomly - remember the aim is for the child to be able to respond immediately.

Key vocabulary

Add, Total, How many more to make?, Altogether

Make it real!

There are 5 ladybirds on the leaf. Two fly away, how many are left?

*3 ladybirds!
How do you know?
Well, 2 add 3 make 5.*

I have 7p in my purse. How much more do I need to make 10p?

*3p!
Why?
Because 3p and 7p totals 10p*

I have 18 cm of ribbon, I cut off 14 cm. How much ribbon is left?

*4 centimetres.
Are you sure?
Yes, because I know that 4 and 14 make 18 altogether.*

Make it fun!

Call out!

Play number ping pong!

Start by saying 'ping', child replies with 'pong'.

Repeat and then convert to numbers i.e. say '2' and they reply '8' (number bonds to 10)

What's hidden?

There are 5 beans on this plate, I hide some under a beaker - how many have I hidden?

Playing cards:

Take out the picture cards from the deck of cards.

Include the jokers as 'zero'.

1) Play snap by matching the number bonds.

2) Play the 'memory game' to find matching number bonds.

Dominoes:

Connect two dominoes to make the bond.

Songs and rhymes

e.g. 5 speckled frogs, 10 in a bed, 10 green bottles

Timed Games:

How well are you doing? How many questions can you answer in 2 minutes. Can you beat your own record?

Numeracy for Learning, Life and Work

September CfE 1st Level Calendar

#abitofmathseveryday

1 $\begin{array}{r} 689 \\ + 35 \\ \hline \end{array}$	2 Calculate $36 \div 9$	3 What fraction of this shape is shaded? 	4 What number is 60 less than 450?	5 Today is National Cheese Pizza Day.  If this pizza is to be shared equally between 2 people, how many slices do they each get?	6 How many 20p's are there in £4.80?
7 Write these numbers in order from the smallest to the biggest; 777, 70, 707, 7	8 Today is International Literacy Day. In the English alphabet, how many MORE consonants are there than vowels? 	9 How many days are there in April? 	10 Write the number 1001 in words 	11 $\begin{array}{r} 857 \\ - 489 \\ \hline \end{array}$	12 Today is National Computer Games Day. Scott plays his console for 10 minutes per day during the month of September. How many hours is this altogether? 
13 Write the time shown here in words 	14 ? In the number 420 379 what does the 7 stand for?	15 What is the value of the missing number represented by the shape below? $10 - \text{diamond} = 4$	16 Today is National Play Doh Day. What 3D shape is this tin of Play Doh? 	17 A loaf of bread is cut into 21 slices and it takes 2 slices to make a sandwich. How many full sandwiches can be made from one loaf? 	18 Today is National Cheeseburger. How many burgers are needed to make a dozen double cheeseburgers? 
19 Today is National Talk like a Pirate Day. What is the most common letter in the sentence "Ahoy, Me Hearties!" 	20 $\begin{array}{r} 58 \\ \times 7 \\ \hline \end{array}$	21 If today is Tuesday, what day is it in 9 days time? 	22 What symbol should go in place of the star to make this calculation correct? $8 \text{ * } 6 = 2$ 	23 Write the following in 24 hour time... 	24 $\begin{array}{r} 3 \overline{) 441} \end{array}$
25 Today is National Comic Book Day. Superman first appeared in a comic in 1938. How many years ago was this? 	26 Write the 26 th of September 1967 as numbers only. 	27 Write the next two numbers in this sequence. 12, 20, 28, 36, ...	28 Today is National Ask a Stupid Question Day. How many days are there in July? 	29 ? Which is bigger? $98 - 74$ or $25 \div 5$ Give a reason for your answer!	30 Is this statement true or false? $0.8 > 0.08$

Parent & Carer Guide

LOOK ON THE BRIGHT SIDE

“When you look into a field of dandelions, you can either see a hundred weeds or a hundred wishes.”

Unknown

Promoting Emotional Health & Well-being

Look on the Bright Side

We can all look at the same situation from different perspectives. Sometimes the way we think about things that happen to us, can have a bigger impact on our wellbeing than the event itself.

When we get stuck in the negative, research has found that questioning and challenging some of our thinking or focusing on the positive things in our life or what we are grateful for can be a helpful way to change our mood. Resilient people are not immune to change, misfortune or adversity. They are better able to make sense of their experiences, by finding meaning and perspective in order to help them to move forward.

In this unit, Skipper overhears an unkind comment about him. The comments go round and round in his head and he starts to believe that they may be true. Using his 'Helpful, Thinking Helmet' he is able to question these thoughts and find ways to feel better.

In this unit, we will be learning that:

- The way you think can affect the way you feel.
- There are different ways of looking at the same thing.
- Focusing on what you are grateful for can help.

Talk it Over:

Talk to your child about the things you are grateful for in your life.

Family Task:

Create your own Memory Jar of things that you are grateful for. Your jar will help you to build and remember memories to help you through difficult times and help you to savour the positive moments in your life.

Key Book: 'Tiger, Tiger, is it true?' by Byron Katie
