

Date Issued Monday 6th February 2023

This home learning grid will last for 4 weeks and is due for completion by Friday 3rd March.

The focus for learning at home should be extra practise of learning from class and we have given some ideas for tasks below. Everyone should spend 20 to 30 mins a day **reading a wide variety of texts, learning spelling words** and **reinforcing maths facts**.

We acknowledge the importance of family time, and appreciate families need time outdoors, to enjoy the wider community and the environment. Home learning will be shared on Teams.

Numeracy & Maths

In school...

We will be continuing to learn about equivalent fractions. After the February holiday, we will focus on measurement.

At home...
