

Date Issued Monday 6<sup>th</sup> March.

This home learning grid will last for 4 weeks and is due for completion by Friday 31<sup>st</sup> March 2023.

The focus should remain on encouraging **reading a wide variety of texts**, **learning spelling words** and **reinforcing maths facts**.

Home learning will be shared on Teams. If you have any questions about Home Learning please use the "Ask the Teacher" channel on our P4 Team.

### Numeracy & Maths

#### In school...

We will be continuing to work on time which will include reading analogue and digital clocks, working out time intervals, reading timetables and working out problems.

We will also start to look at information handling.

**Time-** have a go at one of these time games.

[Telling the Time](#)  
[Match the Times](#)

**Fractions-** keep practising your fractions and finding fractions of an amount. You could use the Daily 10 game to help you.

#### Rigour Maths Calendars

Complete the questions from the 1<sup>st</sup> level maths calendar.

### Literacy

We will be learning how to write a newspaper report using the correct structure, language and different techniques.

**Handwriting** – cursive joins to and from letters with ascenders and descenders

**Grammar/ Punctuation** – Consolidation of adjectives, adverbs, nouns and proper nouns.

**Spelling** – magic 'e' words and multisyllabic words, and common words.

#### At home...

Can you write your own newspaper article about something that has happened or something you have done? Try to include the different sentence types we have been learning about in school.

Read for 20 minutes a day and remember you can take Accelerated Reader Quizzes in school.

Play different spelling games to help you learn your spelling words.

### Health & Wellbeing

#### In school...

**Building Resilience** - Our focus is 'Have a Goal'

**Rights Respecting Schools** - we will discuss and complete activities relating to Articles 11, 17 and 35.
