

Date Issued Monday 6th March 2023

This home learning grid will last for 4 weeks and is due for completion by Friday 31st March.

The focus for learning at home should be extra practise of learning from class and we have given some ideas for tasks below. Everyone should spend 20 to 30 mins a day **reading a wide variety of texts**, **learning spelling words** and **reinforcing maths facts**.

We acknowledge the importance of family time, and appreciate families need time outdoors, to enjoy the wider community and the environment. Home learning will be shared on Teams.

P5/6

Numeracy & Maths

In school...

We will continue to consolidate our learning on fractions, decimals and percentages as well learning about measurement, including reading scales and convert between different units of measurement.

At home... Sumdog

A challenge for information handling and measurement has been set up on teams.

Rigour Maths Calendars 1st – 3rd Levels have been added to our home learning folder on teams. Choose a level that feels right for you. If you have time, try all three levels each day!

Literacy

In school...

We will be doing imaginative writing

where we will be focussing on characterisation, looking at descriptions of characters using adjectives, adverbs and other descriptive techniques.

Handwriting: Handwriting Joins

Grammar: Sentence structure, (including complex and compound sentences), conjunctions and different types of clause.

Spelling: word endings

Reading – Reading groups, class novel & library books.

At home...

- Read for 20mins each day
- AR Quizzes can be completed in class
- Practice using the spelling grid.
- Try to create your own character description for your favourite character using a range of adjectives and adverbs. Think about how you can show their personality through their actions rather than just through a description.

Health & Wellbeing

In school...

Building Resilience – Have a Goal **Rights Respecting Schools** – UNCRC Articles 11, 17 and 35

SHANARRI: Achieving
PE: Central Net Games.
RSHP: Substances &

Consequences

(P6)JASS: Continue with the "Get Active, Stay Active" and "My Interestests)

At home...

- (P6) Continue to <u>use the</u>
 <u>eJass website</u> to log your
 activites for your JASS award.
 If you are unsure of your
 password, let Mr Carson
 know.
- Think about someone successful who has achieved a goal (this could be someone you know, or someone you look up to). Research/ask them about how they achieved their goal, and create a poster that also provides tips for achieving your own goals.

Other Areas of the Curriculum

In school..

We will be learning about the science behind light and how it travels as well as the science behind how the planet is made up, including the different layers of the planet and different types of rocks & soils.

Mika will be with us on Tuesdays for German, and Mrs Martin will take French on Wednesdays.

In RME we will learn about the key figures and beliefs in Hinduism.

News/Reminders

- Outdoor rugby sessions will take place on the 6th and 13th March. Please ensure you have suitable kit for being outdoors.
- Indoor PE will take place on Wednesdays and Thursdays.
 Please make sure you have PE kit on these days.
- Outdoor learning will take place on 14th March.
- Bring a water bottle each day (these can be filled in class).

P5/6
