

Date Issued Monday 6th March 2023

This home learning grid will last for 4 weeks and is due for completion by Friday 31st March.

The focus for learning at home should be extra practise of learning from class and we have given some ideas for tasks below. Everyone should spend 20 to 30 mins a day **reading a wide variety of texts**, **learning spelling words** and **reinforcing maths facts**.

We acknowledge the importance of family time, and appreciate families need time outdoors, to enjoy the wider community and the environment. Home learning will be shared on Teams.

Numeracy & Maths

In school...

We will be learning to use appropriate measuring devices and appropriate units of measure.

We will also be learning about the area and perimeter of 2D shapes.

At home...

Measure

Help your parents to prepare a meal by accurately measuring out the ingredients.

Sumdog

Weekly competitions will be available on SumDog.

Rigour Maths Calendars 1st – 3rd Levels have been added to our home learning folder on teams. Choose a level that feels right for you. If you have time, try all three levels each day!

Literacy

In school...

We will be writing

playscripts with interesting and appropriate structure, characters and settings.

Handwriting: Handwriting Joins

Grammar: Nouns, verbs, adjectives and adverbs.

ana aaveros.

Spelling: word endings

Reading: Reading groups, class novel & library books.

At home...

- Read for 20mins each day
- AR Quizzes can be completed in class
- Practice using the spelling grid.
- Identify nouns, verbs, adjectives and adverbs in a text you are reading.

Health & Wellbeing

In school...
