

Roseburn Primary School

Welcome Letter

Session 2023-24

Dear Roseburn Families,

We have had a great start to nursery, settling in and learning all our routines. We have welcomed back old friends and we are making lots of new friends too, as our newest children and their families join us for their settling sessions. Staff are working hard to learn about their new keyworker children, their likes and their interests.

Health and Wellbeing is extremely important for the children and this term our Building Resilience focus is 'Be Resilient'. We are looking at developing skills and strategies to cope with our 'ups and downs' in life. The children will learn all about Skipper and how he copes with The River of Life.

We regularly use Learning Journals to communicate with you, and we aim to update each child's profile with a personalised observation from their keyworker once each week. We share any whole nursery celebrations here, too. More general nursery updates are included in Mrs Borrowman's Sway each Friday.

We love to hear about what is happening at home. The Learning Journals are an ideal place for you to upload any photos or events from home that we can share together in our nursery. Sometimes having a picture prompt can help our children to be more confident in speaking about their experiences.

For our new families, please ensure you have completed and handed in all the relevant documentation to the school, to enable you to access the Learning Journals. Once you have, please look out for your activation email to gain access at home.

We are all looking forward to an exciting and busy year in Nursery.

Please don't hesitate to contact the school if you have a question or concern.

Kind regards,

Kelly Thirgood (Acting PT for Early Years), Ellis Forrest (EYO) and the Nursery Team
