

Dear Roseburn Primary 1 Parent and Carers,

Welcome back to Roseburn Primary and a very big welcome to our new children in Primary 1.

We have had a super start to P1 and we are looking forward to the school year ahead. The children are settling in well and are adapting to all the different and varied routines that we are learning.

Home Learning

We will send home a weekly information letter via the Learning Journals. Please ensure your Learning Journal consent form has been returned to school. We will update parents when Learning Journals has been set up.

The weekly newsletter will contain the sounds for the week, the tricky words to be practised at home, maths information, topic work and the Health and Wellbeing focus. The newsletter will also contain any reminders or upcoming dates for your diary.

Reading

Reading home learning will be sent home from Monday to Thursday. Each day you will be expected to read some pages of the book. This information will be found in their reading record which will also be sent home. There is a comments section inside the reading record- this is for both teacher and parent to use to record any notes about the child's reading progress that day in school or at home. Please use this section of the reading record for comments or questions to the teacher. We will start with wordless books before moving on to first word books. Information about wordless books and how to read these with your child at home is provided inside the front cover of your child's reading record.

Buddies

This year each P1 child will have a P7 buddy. These buddies are a big support to the children and a variety of Buddy events are lined up throughout the course of p1.

Belongings

Please ensure all belongings are **named**, including water bottles and packed lunches (which should be taken home daily). A small daily snack should be provided.
