Interdisciplinary Learning

Victorians:
The class will be learning about life in Victorian Scotland, comparing lives of children as well as work habits, housing, homelife, food and entertainment. They will use a variety of primary and secondary resources, and create a display about an aspect of the topic to share with the year group.
Water:
Looking at the importance of water to life, the water cycle and the different states of water and investigating ways in which the speed of changing states can be influenced.
